Kate,

The cost of the fence is \$5,162.43 for the 526 linear feet of 3 board fencing. This includes one 10' wide gate that I asked to have included where the water line easement leaves the park adjacent to Windemere. I also have the costs for the 443 feet along the southern boundary if that comes up in discussion but for your item please use the price above. Thanks

Kate,

I met onsite this morning with the Long Fence representative. He will have a written quote for the 3 board fence covering the 525' length that we measured out by Wednesday night. I will send this to you for inclusion in your item by the deadline of Thursday. Thanks
